

ReNew Power- CSR Policy

ReNew Power CSR program aims to:

- Implement sustainable, replicable and scalable programs that create a measurable socio-economic and ecological impact in the communities around ReNew Power operations.
- Partner with development agencies NGOs/CBOs to implement appropriate community development programs.
- Promote appropriate environmentally responsible and sustainable interventions.
- Involve and integrate beneficiaries, employees and stakeholders to maximize impact.
- Advocate transparency and open communication about our CSR initiatives.
- Conduct an annual review of the CSR policy.
