

## ReNew Power organizes first ever national Green Quiz

Teams from FMS, Delhi and TCS and Sai Mitra emerge victorious at grand finale

Aimed at raising awareness on environment and sustainability, initiative witnessed participation from more than 100 business schools and 50 corporates

**November 18, 2017 – Gurgaon:** ReNew Power Ventures Pvt. Ltd. ("ReNew Power"), India's leading renewable energy company, today organized the first edition of **ReNew Green Quiz** – an annual event aimed at raising awareness on issues around the environment, sustainability and renewable energy. Over the past few weeks, the national level quiz – the grand finale of which was held today at the Excelsior American School Gurugram – saw enthusiastic participation from more than 2,000 students representing leading business schools; and more than 50 companies from around the country.

The quiz was conducted in two tracks – one for business schools and the other for corporates – by renowned quizmaster, Avinash Mudaliar. Each track had representation from eight teams. The business school track had teams from elite institutions like XLRI, FMS, IIM-Calcutta, IIM-Kashipur, IIM-Nagpur, MDI-Gurgaon, IIM-Indore, IIT-Bombay pit their quizzing skills against each other. The corporate track saw tough competition between employees of organizations such as Mondelez, Wipro, EY, Value Research, ESPN, TCS, Frost & Sullivan, RateGain Travel Solutions, Lava International, YES Bank and Citibank.

Team *Peter's Fortress* from FMS, Delhi and Team *Ignorance is Bliss* from TCS and Sai Mitra emerged as the final winners of the B-School and Corporate tracks. There were special commendations for ReNew Power's employees that had won the employee segment of the quiz conducted earlier, and prizes for the audience as well.

Addressing participants at the end of an exciting evening, **Mr Sumant Sinha, Chairman and Chief Executive Officer, ReNew Power** said, *"In view of the socio-economic challenges posed by climate change, especially the looming threat of rising urban air pollution in India, ReNew Green Quiz has special significance. The quiz was aimed at creating an interactive, collaborative platform for bright young minds to think and look for answers to the environmental and sustainability challenges of today. In this, we hope our initiative has been successful."*

### About ReNew Power

ReNew Power Ventures Pvt.
