**About ReNew Power:** ReNew Power is India’s leading renewable energy independent power producer by capacity and is the 13th largest global renewable IPP by operational capacity. ReNew develops, builds, owns, and operates utility-scale wind energy projects, utility-scale solar energy projects, utility-scale firm power projects and distributed solar energy projects. As of March 31, 2021, ReNew Power had a total capacity of close to 10 GW of wind and solar energy projects across India, including commissioned and committed projects. ReNew has a strong track record of organic and inorganic growth. ReNew’s current group of stockholders contain several marquee investors including Goldman Sachs, CPP Investments, Abu Dhabi Investment Authority, GEF SACEF and JERA.

As previously announced, ReNew has entered into definitive agreement for a business combination with RMG Acquisition Corporation II (NASDAQ: RMGB), a publicly traded special purpose acquisition company (SPAC), that would result in ReNew becoming a publicly listed company. Completion of the proposed transaction is subject to customary closing conditions and is expected to occur in the second quarter of 2021.
